**TRAIN LATE.**—The lightning express train did not reach the city last night until 11 o'clock. The cause of the delay was freight train No. 14 off the track near the Eureka mill.

## THE FALL CAMPAIGN.

A GLANCE AT THE COMING TUMBLE—THE LEGISLATIVE AND SENATORIAL SCRAMBLES—THE V. AND T. R. R. FORMING A NEW PARTY.

The campaign of the coming Fall promises to be about as lively as any ever seen in Nevada. There will be several prime factors in the fight which will give it all the *celat* that the most persistent and indefatigable politician could wish. The Presidential contest is bound to be a bitter one in all respects, but probably not much more so than usual. It has long been a custom with people to insist that any campaign about to come off, or in progress, is "the most exciting ever known." This is all bosh. Each Presidential campaign is run for all it is worth, and the excitement next Fall will be about as it was four years ago.

### THE SENATORIAL CONTEST

Will occupy its full share of attention in Nevada, provided moneyed men conclude to enter the lists. Notwithstanding the fact that Sharon professes to be willing to resign, out of respect to the wishes of his constituents, it is looked upon as nothing more than a blind, and he will run with the intention of making his old time sack fight. In case he shows his head however, it is not improbable that the Bonanza firm will put a somewhat more plethoric purse in the other side of the fight. Should these two moneyed powers take a hand in the game, those men who expect to make enough money in each campaign to last until the next, will consider themselves in paradise for the time being. It is not probable that Jim Fair will run as his health would not stand the excitement. It is whispered that Curt Hillyer will get the benefit of Bonanza backing, and in that event Sharon would stand but little show as he cannot raise the pot as high as his political opponents may see fit to. If Sharon and Hillyer should not run the fight would resolve itself into a scramble for the office between R. M. Daggett, William Woodburn, Tom Wren and Judge Whitman, with Daggett and Woodburn leading.

### THE RAILROAD FIGHT

Will be the main issue in the legislative campaign. The experience of 1878 is still fresh in the minds of a swindled public, and the voters of Nevada will not fail to profit by the sorry lessons of the past. In each county the utmost pains will be taken to send a class of men to the Legislature who can neither be bought nor bullied into submission by the railroad companies. The indignation so publicly expressed after the adjournment of the Legislature at the course of certain members, will tend to act as a check upon future corruption, and the careless selection of candidates will be avoided. There is a decided anti-railroad majority in the State, and there is no reason on earth why a Legislature cannot be sent to Carson which will legislate for the people and not the monopolists. If Sharon runs he will back a class of men who are for Sharon first and the railroads next. If he succeeds, all hopes of securing any anti-railroad legislation might as well be abandoned by the people.

### LOCAL POLITICS.

The Carson politicians are already beginning to stir about, and the usual connubiations and wire-pullings are progressing. This year a clean Republican victory may be looked for; and it being a presidential campaign, there is no room for Dolly Vardenism to do anything, and in fact such a party is now not even talked of.

### A RAILROAD MOVEMENT.

The railroad people are beginning to realize the necessity of putting things in shape for their Fall fight, which will not be as easy as before. In the last election they made a cat's paw of the Dolly Varden party, an organization quickened into life for the express purpose of accomplishing the designs of the railroad people. This year some new game must be played and the managers of the V. & T. R. R. Co. are busy at work endeavoring to form a railroad party in Ormsby County which will be disguised under the name of the Workingmen's party. The aim of the organization will be to elect a railroad ticket and slide into power between the Democrats and Republicans as before. So far the efforts to lick this movement into shape have not equalled the sanguine expectations of its originators.

**DISTRICT COURT.**—In the District Court yesterday the following business was transacted:

John Coombs vs. his creditors. Opposition to discharge of insolvent denied; insolvent discharged.

Westhoff vs. Pearson. On motion defendant allowed until Monday as additional time to answer.

Ellen E. Hixon vs. Pixley & McConnell. Court filed order and opinion overruling motion for new trial.

F. A. Frevert vs. Geo. S. Elder. Citation for defendant to appear and make showing of his property. Examination pending.

**A DAMAGING ADMISSION.**—Yesterday in the District Court an astonishing revelation was made in the case of F. Frevert vs. George Elder. The defendant was on the stand attempting to make a showing of what money and property was in his possession, when attorney Soderberg pressed him into the admission that he had \$3,900 secreted in a lumber yard in Bodie. As soon as this intelligence reaches Bodie there will be a grand rush to locate the lumber yard, and dollars to cents that inside of two hours the coin will be unearthed and carried off.

**THE ANTI-GRIN CAMPAIGN.**—The cohorts of gin are now terrified over the contemplated attack of the temperance people on both their flanks. While the McKenzie brigade are about to make it hot for them on one side and the Good Templars are falling into line on the other. The adherents of the invigorating run punch and the early morning cocktails heretofore unterrified and defiant, now huddle together in trembling ranks fearful of an onslaught which threatens to sweep them from their old time vantage ground. The battle at present can hardly be looked upon as having really commenced, and the lines are by no means formed which are expected in the end to present so formidable a front to the enemy as to strike a sort of cold water terror into the very souls of the bibulous and festive. Yesterday morning even the irrepressible Gillhooly walked the street with an uneasy tread, and the paleness about his gills told of a mind ill at ease. The rumor that Ed. Sweetey had joined the Reform Club almost caused a panic, but it was ascertained later in the evening that it was another man by a similar name that had signed the roll. Whether or not the Good Templars and Reformers will act in concert remains to be seen. The Templars have issued a call for this evening and some of the members seem to consider the Reform Club a weed of hasty growth, not possessing the ancient and far reaching roots which characterizes the sturdy Templars' oak. Meanwhile the war correspondent of the APPEAL will keep the public posted on each and every stage of the battle.

**TEMPERANCE MEETING LAST NIGHT.**—The temperance meeting last night at Theater Hall was the largest and most enthusiastic of the present series. It was a live meeting in the fullest sense. After singing by an excellent choir, the Rev. Mr. Willis opened with a fervent prayer. The President in a brief speech denied the rumor that any discord existed in the Club, represented its financial condition as better than it had been for many months, regretted that the local papers should have been misinformed as to the condition of the institution, and stated that the members of the Club need not delude themselves with the idea that the Club was going to disorganize. Dr. McKenzie made a stirring and an earnest appeal in behalf of the temperance cause, waking the audience up to genuine enthusiasm. Twenty persons or more walked up to the stage and enrolled themselves members of the Reform Club. To-night there will be another temperance and business meeting at the Theater Hall, the building will be warmed and lighted, and a red-hot temperance gathering may be looked for.

**U. S. CIRCUIT COURT.**—The United States Circuit Court will convene in this city on Monday next. The following persons have been summoned to act as jurors: B. Overton, Geo. Alt, L. Wintermantle, W. W. Shanahan, D. G. Corbett, J. G. Fox, I. E. James, J. G. Farrington, Abendigo Johns, James Duacan, Louis Schoenfeld, E. R. Elrod, B. F. Slater, Geo. W. Taber, G. H. E. Budden, J. A. Bonham, Alf. Doten, J. C. Dewey, C. J. Sharon, Richard Pearce, J. J. Naughton, Wm. Mooney, John S. Young, H. P. Kraus, L. Gilman, James Hunt, C. H. Clark, J. Mayberry, L. P. Drexler, G. H. Dana, H. B. Williams and J. Morris.

**SOME WEATHER.**—The recent weather developments are not meeting with much favor in Carson. The breaking up of the present Winter has been about the roughest weather deal ever experienced. To go to bed at night remarking about the probabilities of the next day being just the sort of a day to go on a picnic, and to wake up in the morning to find six inches of snow on the ground, is calculated to make most men profane. This sort of a thing has been repeated now for ten days past, snow and sunshine alternating like the streaks in jelly cake.

**U. S. DISTRICT COURT.**—The United States District Court will meet on March 15th. The following named persons have been summoned as Jurors: John Rothenbuecher, H. H. Beck, George H. Fogg, George A. Tyrrell, Louis Schoenfeld, George F. Davis, Wm. E. Price, D. J. Jones, A. Reynolds, E. F. Page, W. R. Musgrove, George E. Hall, F. Boskowitz, P. Marker, B. H. Meder, John Bradley, J. H. Douglas.

**THE ROYAL ILLUSIONISTS.**—Thorn & Darwin will open in Carson on Monday night and perform on the open stage all of the spiritual manifestations of the leading mediums. These startling illusions are performed in the full glare of the footlights. The Virginia City papers pronounce the two men the most extraordinary performers that have ever visited the Comstock.

Sharon will begin to agitate his sack in this city on the 25th.

The Bodie stage didn't reach the city last night until after 12 o'clock.

Teamsters are delighted with the present lively deal in their business.

There was a candy pull at the White House on Thursday night. No insurance.

T. E. Pecotte, of the Lyon County Times, passed through Carson yesterday for Bodie.

Geo. Gauntz, formerly a brakeman on the V. & T. R. R., has been convicted of murder in the first degree in Ukiah, Cal.

The man who was arrested for disturbing the peace in Winston's saloon day before yesterday appeared in Justice Cary's Court yesterday, and his case was continued until this morning at 10 o'clock.

OLCOVICH BROTHERS.

## WE CAN'T TALK

Without showing the condition of our teeth. Every laugh exposes them. In order not to be ashamed of them let us use that standard dentifrice, SOZODONT, which is sure to keep them white and spotless. No tartar can encrust them, no canker effect the enamel, no species of decay infest the dental bone, if SOZODONT is regularly used. It is a botanical preparation, and its beneficial effects on the teeth and gums are marvelous, as it removes all discolorations, and renders the gums hard and rosy.

**MUSICAL.**—Miss Lizzie Davis, of Virginia City, teacher of the violin, comes to Carson every Monday and remains until Wednesday. Adults or children wishing to become rapid and correct performers on the violin, and to acquire a profound knowledge of musical time and to read readily, also generally musical theory can get all necessary information as to terms etc., by inquiring of C. A. Marston, photographer, or at the Arlington House. Lessons in dancing given by Brown & Davis at Arlington Hall every Tuesday from 11 A.M. till 9 P. M. Social every night after dancing school.

**A DRY GOODS DREAM.**—A woman who goes into M. Cohn's emporium drifts off into a dream of rare and beautiful feminine finery. She sees the best product of foreign looms piled up on the counters, laces, draperies, illusions and elegant toilette materials, such as only the rarest skill can produce and which women of taste admire. The secret of the success of this house lies in the fact that M. Cohn knows how to select the best and is never imposed upon by the eastern houses who work off their inferior goods on inexperienced persons.

**PROFESSOR LANGER'S MUSIC CLASS.**—Prof. Langer, the well known leader of Piper's Orchestra, has started a music class in Carson. He has already received a number of scholars from the best families in the city, and his thorough methods of instruction give the best of satisfaction. He gives vocal and instrumental instructions and teaches on the piano and violin. He will give lessons on Wednesday of each week. Orders can be left at the APPEAL office.

**ATTENTION!**—The greatest wonder yet discovered in medicine is Mrs. Dr. Howe's celebrated rheumatism, neuralgia and toothache cures. Would you rather suffer the pain of having a tooth drawn than buy a bottle of Mrs. Dr. Howe's toothache medicine? Mother should not be without it for their infants. A few drops in a little sweetened water to swab a teething baby's mouth will instantly relieve the little sufferer. The medicine does not cauterize, and is very pleasant. Sold by all druggists.
